Events

The 104th Anniversary of the Destruction of the Khilafah State

1446 AH - 2025 CE

Opening Statement

Seeing the whirlwind of events of the past months, from the downfall of the Syrian tyrant of the five decade Assad regime only to remain on the secular kufr system to the Muslim rulers' and the Muslim armed forces' abandonment of Gaza and Palestine to be ethnically cleansed further into genocide and forced displacement and then to the escalating bloodbaths in Sudan at the hands of the agent-regimes, all expose treachery at the highest ranks in the ruling against their people and the Islamic Ummah. Rulers in the Muslim lands neglecting the responsibility to their people, abandoning Islam as a political system to govern the Muslims under one leadership instead of weakling statelets is the main reason behind the ongoing worsening crises sweeping across the Muslim lands.

The passing of the Hijri month of Rajab is the painful reminder of the increasing plight of the Muslim Ummah without the Khilafah (Caliphate) State. On the 28th of Rajab Al-Muharram in the year 1342 AH corresponding to 3rd March 1924 CE at the hands of the criminal Mustafa Kemal, marks the tragic 104th anniversary of the destruction of the Islamic State by the criminals of the Arabs and Turks, which was established by the Master of Messengers, Muhammad, peace and blessings be upon him, and his noble and blessed Companions, may Allah be pleased with them, and the abolition of the Islamic system of government (the Caliphate).

As it annually marks this tragic anniversary, Hizb ut Tahrir organized wide-ranging public events in all the countries in which it operates to mobilize the Muslims to work hard to establish the Islamic State, the second Khilafah Rashidah (Rightly-Guided Caliphate) on the method of the Prophethood in the Muslim Lands. It alone will provide glory in this world and salvation in the Hereafter, and it alone is capable of liberating the land and humanity from the criminal Kuffar (disbelievers) and from the plots of the Kaffir West against us!

This issue of Mukhtarat Magazine provides coverage of some of the Rajab events that were held to raise awareness of the destruction of the Islamic State and to remind the Ummah of their duty in fulfilling the obligation of working to reestablish the Islamic State to implement the system of Islam in all aspects of life. We ask Allah (swt) to hasten the establishment of the second Khilafah Rashidah on the method of the Prophethood.

On the Anniversary of the Destruction of the Khilafah and on the brink of its return, We call on the Muslim Ummah to Hasten in Establishing it.

Press Release

(Translated)

Since the Khilafah was destroyed on the 28th of Rajab 1342 AH, corresponding to March 3, 1924 CE, the Ummah has been living through successive tragedies and defeats; from the division of its lands, to the plundering of its wealth, the killing of its sons, and the mockery of its sanctities and attacks on its Shariah. However, today the Khilafah (Caliphate) is closer than ever to returning, its Rayah (banner) poised to wave once more over the lands of Muslims. In fact, we are living in a moment reminiscent of the night when the people of Medina were consulting one another, agreeing that the time had come to give Baya'ah to our master Muhammad (saw) as their political leader and the head of their state.

It was narrated by the Sahabi Jabir ibn Abdullah (ra) in a hadith reported by Ahmad and Al-Bayhaqi in As-Sunan. This hadith describes the state of the Muslims in Medina on the eve of making the greatest decision that placed them into the golden pages of Islamic history. He said:

"...حتى لم يبق دار من دور الأنصار إلا وفيها رهط من المسلمين، يظهرون الإسلام، ثم اتتمروا جميعاً... فقلنا: حتى متى نترك رسول الله ﷺ يطرد في جبال مكة ويخاف..."

"...Until there was not a single home of the Ansar except that it housed a group of Muslims openly practicing Islam. Then, they all conferred together and said: 'How long will we leave the Messenger of Allah ﷺ to be expelled into the mountains of Mecca, living in fear...?'"

"وأخذ بيده أسعد بن زرارة وهو أصغرهم فقال: فتبينوا ذلك فهو أعذر لكم عند الله. قالوا: أمط عنا يا أسعد، فوالله لا ندع هذه البيعة أبداً، ولا نسلبها أبداً، فبايعناه فأخذ علينا، وشرط، ويعطينا على ذلك الجنة"

He went on to explain how the Ansar, numbering 73 men and 2 women, went out and give Bay'ah to the Messenger of Allah (saw) at the second Bay'ah of Al-Aqabah, a Bay'ah of war. He also mentioned a moment involving one of the Ansar that perfectly reflects the concerns the Ummah is experiencing today. He said: "As'ad ibn Zurarah, who was the youngest among them, took his hand and said:

رويداً يا أهل يثرب، فإننا لم نضرب إليه أكباد الإبل إلا ونحن نعلم أنه رسول الله، وأن إخراجنا اليوم مفارقة العرب كافة وقتل خياركم، وأن تعضكم السيوف، إما أنتم قوم تصبرون على ذلك وأجركم على الله، وإما أنتم تخافون من أنفسكم

خبينة فتبينوا ذلك فهو أعذر لكم عند الله

"Slow down, O people of Yathrib, for we have not made this journey and wearied our camels except because we know that he is the Messenger of Allah. However, bringing him out today means the enmity of all the Arabs, the death of your best men, and the drawing of swords upon you. So if you are a people who can endure that, then your reward is with Allah. But if you fear that there is weakness in yourselves, then speak now, for that would be more excusable for you before Allah." They said:

أمط عنا يا أسعد، فوالله لا ندع هذه البيعة أبداً، ولا نسلبها أبداً، فبايعناه فأخذ علينا، وشرط، ويعطينا على ذلك الجنة

'Step aside, O As'ad, for by Allah, we will never abandon this pledge nor revoke it.' So we pledged allegiance to him, and he took our covenant and stipulated that Paradise would be ours in return."

It was also narrated in Ibn Hisham's Seerah through another account. Ibn Ishaq said:

وَحَدَّثَنِي عَاصِمُ بْنُ عُمَرَ بْنِ قَتَادَةَ: أَنَّ الْقَوْمَ لَمَّا اجْتَمَعُوا لِيَبْعَةَ رَسُولِ اللَّهِ ﷺ قَالَ الْعَبَّاسُ بْنُ عَبَّادَةَ بْنِ نَضَلَةَ الْأَنْصَارِيِّ، أَخُو بَنِي سَالِمِ بْنِ عَوْفٍ: يَا مَعْشَرَ الْخَزْرَجِ، هَلْ تَذَرُونَ عَلَامَ تَبَايَعُونَ هَذَا الرَّجُلَ؟ قَالُوا: نَعَمْ، قَالَ: إِنَّكُمْ تَبَايَعُونَهُ عَلَى حَرْبِ الْأَحْمَرِ وَالْأَسْوَدِ مِنَ النَّاسِ، فَإِنْ كُنْتُمْ تَرَوْنَ أَنَّكُمْ إِذَا نَهَيْتُمْ أَمْوَالَكُمْ مُصِيبَةً، وَأَشْرَافَكُمْ قِتْلًا أَسْلَمْتُمُوهُ، فَمِنَ الْأَنْ، فَهُوَ وَاللَّهِ إِنْ فَعَلْتُمْ حَرْبِي الدُّنْيَا وَالْآخِرَةِ، وَإِنْ كُنْتُمْ تَرَوْنَ أَنَّكُمْ وَأَفُونَ لَهُ مَا دَعَوْتُمُوهُ إِلَيْهِ عَلَى نَهْيِكُمُ الْأَمْوَالِ، وَقَتْلِ الْأَشْرَافِ، فَخُذُوهُ، فَهُوَ وَاللَّهِ خَيْرُ الدُّنْيَا وَالْآخِرَةِ، قَالُوا: فَإِنَّا نَأْخُذُكَ عَلَى مُصِيبَةِ الْأَمْوَالِ، وَقَتْلِ الْأَشْرَافِ، فَمَا لَنَا بِذَلِكَ يَا رَسُولَ اللَّهِ إِنْ نَحْنُ وَقَيْنَا (بِذَلِكَ)؟ قَالَ: الْجَنَّةُ. قَالُوا: أَبْسَطْ يَدَكَ، فَبَسَطَ يَدَهُ فَبَايَعُوهُ.

“Aasim ibn Umar ibn Qatadah narrated to me that when the group gathered to pledge allegiance to the Messenger of Allah ﷺ, Al-Abbas ibn Ubadah ibn Nadlah Al-Ansari, from the Banu Salim ibn Awf tribe, said: “O people of Khazraj! Do you know the nature of your pledge to this man?” They said, “Yes.” He said: “You are pledging to fight against both the red and the black of humanity. If you think that when your wealth is depleted and your nobles are killed, you will abandon him, then it is better to do so now. By Allah, if you do that, it will be disgraceful in this world and the Hereafter. But if you think that you will fulfill your pledge to him despite the loss of wealth and the killing of your nobles, then take him, for by Allah, this is the best of this world and the Hereafter.” They said, “We will take him despite the loss of wealth and the killing of our nobles. What is our reward for this, O Messenger of Allah, if we fulfill it?” He said, “Paradise.” They said, “Stretch out your hand.” He stretched out his hand, and they pledged allegiance to him.””

And this is the very moment the Ummah is experiencing today. It is thinking and calculating, reflecting on itself and measuring its capabilities, then looking at the world and evaluating its strengths. It feels both optimistic and apprehensive, asking itself: Can it declare Islam as a political project? Or must it conform to the West and its agents?

The West and its agents threaten it with poverty, blockades, and death! Yet the masses of the Ummah continuously raise their voices in public squares, calling for the return of Islam. They desire an Islamic way of life but hesitate to make a decisive decision.

This has become evident in Ash-Sham after the fall of the criminal Bashar's regime and his escape from Damascus. From the very first moment, we saw the entire West apprehensive, repeatedly asking the people of Ash-Sham: “Will you implement Islamic Sharia? Will you establish the Khilafah?”

What is most important is that this is not limited to the people of Ash-Sham alone. The entire Islamic Ummah is watching the people of Ash-Sham, thinking with them and discussing the matter with them. This has filled the airwaves of social media platforms with discussions among the sons and daughters of the Ummah around the world as they seek answers to these critical questions.

So, will the Ummah — and we do not mean only the people

of Ash-Sham — decide to support Islam and establish it despite the “depletion of wealth and the killing of nobles”? Or will it postpone it for yet another round?

Since the Arab Spring, the Al-Aqsa Flood Operation, and the fall of the killing machine that was unleashed upon the people of Ash-Sham, obstacles to the return of the Khilafah have continued to diminish. Nationalist projects have fallen from the Ummah's favor, and here are the people of Ash-Sham welcoming the return of Islam to the educational curricula despite 60 years of secular rule. With each new event, the Ummah moves further away from Western ideas and seeks to reclaim its identity through Islamic concepts.

Moreover, with every major event that impacts the Ummah, the idea of Sykes-Picot borders falters in the face of the concept of abolishing borders, as was vividly demonstrated in the war on Gaza, the celebrations of the fall of the tyrant of Ash-Sham, and the celebrations marking the end of aggression on Gaza.

The remaining obstacles to the return of the Khilafah are now but remnants. Those who understand societies know that what separates us from its establishment is nothing more than a decision—a momentous decision like the one made by the Ansar (ra) when they chose to live for the pleasure of Allah and die in pursuit of His Jannah. Allah Almighty says:

﴿قُلْ إِنَّ صَلَاتِي وَنُسُكِي وَمَحْيَايَ وَمَمَاتِي لِلَّهِ رَبِّ الْعَالَمِينَ ۗ لَا شَرِيكَ لَهُ ۗ وَبِذَلِكَ أُمِرْتُ وَأَنَا أَوَّلُ الْمُسْلِمِينَ﴾

“Say, “Indeed, my prayer, my rites of sacrifice, my living and my dying are for Allah, Lord of the worlds. (162) No partner has He. And this I have been commanded, and I am the first [among you] of the Muslims.”” [Al-An'am: 162-3].

Hizb ut Tahrir extends its hand to the Ummah and all its armies to work together with us to establish the second Khilafah Rashidah (rightly guided) upon the method of the Prophethood. We have prepared what is necessary for it. So work with us to make this year the last year we commemorate the anniversary of its destruction, and next year, by Allah's will, we begin celebrating its return every year.

God Almighty said in His Holy Book:

“Allah has promised those who have believed among you and done righteous deeds that He will surely grant them succession [to authority] upon the earth just as He granted it to those before them and that He will surely establish for them [therein] their religion which He has preferred for them and that He will surely substitute for them, after their fear, security, [for] they worship Me, not associating anything with Me. But whoever disbelieves after that - then those are the defiantly disobedient.” [AlNur: 55]

Conclusion of the 104th Anniversary Activities of the Destruction of the Caliphate

Press Release

(Translated)

With the grace of Allah, we conclude the activities commemorating the anniversary of the destruction of the Khilafah (Caliphate), which we began at the start of the month of Rajab. The 28th of this month marks the anniversary of its destruction at the hands of the British agent, Mustafa Kemal.

The events held by the Shabab of Hizb ut Tahrir to mark this painful occasion took various forms worldwide. These included public outreach and media engagements, such as lessons, khutbahs, lectures, conferences, recorded speeches, public addresses in squares and streets, as well as the publication of statements and articles by the Hizb's media representatives.

These activities reminded Muslims of the great calamity they suffered with the destruction of their Khilafah and how every aspect of their political and daily lives continues to bear the brunt of its absence. The events also shed light on the proposed solutions to the Ummah's crises under the soon-to-be-established Khilafah, which the Muslim world is currently struggling to bring forth.

Members of Hizb ut Tahrir across the globe urged Muslims to join their relentless efforts to establish the second Khilafah Rashidah (rightly guided Caliphate) upon the method of the Prophethood. This call comes especially at a time when the urgent need for a state that defends Muslims, protects their blood, and preserves their honor has become evident. The recent war of genocide against Gaza and all of Palestine has made it clear to everyone how the rulers of the Muslims and the Sykes-Picot borders are at the root of the weakness, humiliation, and defeat suffered by the Ummah.

By the grace of Allah, the Muslim Ummah is now closer than ever to achieving its goal of re-establishing the Khilafah. We ask Allah that this year does not pass before He grants us the nusrah (material support) of people of power and strength who will give Hizb ut Tahrir their backing to announce a Khilafah Rashidah on the method of the Prophethood, one that unites us, grants us victory, and implements Islam in our lives.

﴿وَنُرِيدُ أَنْ نَمُنَّ عَلَى الَّذِينَ اسْتُضِعُوا فِي الْأَرْضِ وَنَجْعَلَهُمْ أَئِمَّةً وَنَجْعَلَهُمُ الْوَارِثِينَ﴾

“And We wanted to confer favor upon those who were oppressed in the land and make them leaders and make them inheritors”

Honour for our People, and Humiliation for our Enemies

O Muslims: In the Book of Allah (swt), and the Sunnah of His Messenger (saw), there is a solution to our problems, honour for our people, and humiliation for our enemies. It is a clear solution that proclaims the truth, honours its people, defeats falsehood and humiliates its people. It is that the Islamic state, the Khilafah Rashidah (Rightly-Guided Caliphate), will return once again, led by a pious and pure one, behind whom we fight and with whom we are protected. He will return the land of Isra' and Mi'raj (the Night Journey and Ascension) free and honourable, and he will send the Jews and every aggressor to a deep abyss, to the humiliation of this world and the torment of the Hereafter. This will happen, O Muslims, by Allah's permission, after this oppressive rule in which we live. Ahmad narrated on the authority of Hudhayfah, إذا تَكُونُ ثُمَّ يَرْفَعُهَا إِذَا «ثُمَّ تَكُونُ مُلْكًا جَبْرِيَّةً فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ ثُمَّ يَرْفَعُهَا إِذَا «ثُمَّ تَكُونُ جَلَافَةً عَلَى مَنَاجِزِ النَّبِيِّ. ثُمَّ سَكَتَ.» Then there will be an oppressive rule (ملكاً جبرية), and it will last for as long as Allah wishes, then He will lift it if He wishes. Then there will be a Khilafah on the method of Prophethood.” Then he (saw) fell silent.” Muslim narrated on the authority of Nafi' on the authority of Ibn Umar on the authority of the Prophet (saw) who said: «لَتَقَاتِلُنَّ الْيَهُودَ فَلَتَقْتُلَنَّهُمْ.» “You will fight the Jews and kill them.”

However, Allah's law required that He does not send down angels from heaven to establish for us a Khilafah (Caliphate) to fight our enemy while we are sitting. Rather, He sends down His angels as reinforcements and good tidings of His Nusrah (victory) to men who believed in their Lord and He increased them in guidance, Muslim soldiers, patient in war, who are protected by their leader and fight their enemies behind him: ﴿يَأْتِي إِنْ تَصَبَرُوا وَتَتَّقُوا وَيَأْتُوكُم مِّن فَوْرِهِمْ هَذَا يَمْدَدُكُم بِرُكُومٍ خَمْسَةَ آفٍ﴾ “Most certainly, if you 'believers' are firm and mindful 'of Allah' and the enemy launches a sudden attack on you, Allah will reinforce you with five thousand angels designated 'for battle'” [Aal-i-Imran: 125]. Then we will be among those who deserve the glad-tidings. ﴿نُصْرٍ مِنَ اللَّهِ وَفَتْحٍ قَرِيبٍ وَيَبَشِّرُ الْمُؤْمِنِينَ﴾ “He will also give you' another favour that you long for: help from Allah and an imminent victory. 'So give good news 'O Prophet' to the believers” [As-Saf: 13].

O Muslims: Hizb ut Tahrir, the pioneer that does not lie to its people, calls upon you to support it and work with it to restore the Khilafah Rashidah (Rightly-Guided Caliphate) once again, so that Islam and its people will be honoured and kufr (disbelief) and its people will be humiliated. That is the great victory. ﴿إِنَّ فِي ذَلِكَ لَذِكْرًا لِمَن كَانَ لَهُ قَلْبٌ أَوْ أَلْقَى السَّمْعَ وَهُوَ شَهِيدٌ﴾ “Surely in this is a reminder for whoever has a 'mindful' heart and lends an attentive ear” [Qaf: 37]

America and Canada are Calling for the Cancellation of the Khilafah (Caliphate) Conference

Press Release

(Translated)

The people of falsehood, who support and advocate the killing of men, children and women and the demolition of houses on the heads of their inhabitants, in the Blessed Land of Palestine, can neither tolerate a speech which denounces their crimes, nor tolerate a gathering where the truth is proclaimed. The secular capitalists are those who colonized the wealthy peoples with their wealth. They impoverished those lands and enslaved the people. They turned the world into banana plantations, from which they seize what they please, and lands burdened by their leaders, and weak regarding military power. They have not spared even their own people, who were burdened with taxes, and enslaved by giant multinational companies, such that the people can no longer afford more than to meet their basic needs, despite the enormous and countless funds deposited in banks! Moreover, with the aim of dismantling the social fabric within them, they have been corrupting Western societies, by adopting corruption campaigns, implementing deviant laws such as homosexuality laws, spreading vice and homosexuality, protecting it and punishing anyone who resists it, turning society into a herd of hedonists, who cannot denounce the corruption of these capitalists. To ensure the survival of enslavement, colonialism and the corruption of the global international and social order, various Western institutions and governments worked to pursue, counter and combat all those who carry the civilized alternative to Western civilization, and all those who hold on to the principles of justice, truth and fair-dealing. The orientation of their policy in pursuing the carriers of Dawah for the Khilafah is the orientation of the people of Lut (as) who said,

﴿أَخْرِجُوا آلَ لُوطٍ مِّن قَرْيَتِكُمْ إِنَّهُمْ أَنَاسٌ يَّتَطَهَّرُونَ﴾

“Expel the disciples of Lut from your land! They are a people who wish to remain chaste!” [TMQ Surah an-Naml 27:56].

Within this context, under the title, “The Khilafah: Eliminating the Obstacles That Are Delaying Its Return,” the annual Khilafah conference was supposed to be held on 18 January 2025 in the city of Mississauga, adjacent to Toronto, Canada. However, the Canadian government, in cooperation with America, trampled on its laws and ideals that it has long made fanfare about, such as the Act for the Preservation and Enhancement of Multiculturalism in Canada (Bill C-93) of 1988, as well as the values of freedom and freedom of opinion. In addition to the inciting of the various centers and places where such activities are held, to refuse the honoring of any booking by those in charge of the conference, this campaign included the issuing of a joint statement by David J. McGinty, Minister of Public Security of Canada, and Mrs. Rachel Bendayan, Associate Minister of Public Safety, which included many fallacies, lies and fraud, to justify their incitement practices against Hizb ut Tahrir, to prevent the

convening of the conference, including the statement, “Reports of the upcoming Hizb ut Tahrir (HuT) conference, scheduled for January 18, 2025 in Hamilton, Ontario are deeply concerning. Hizb ut Tahrir has a documented history of glorifying violence and promoting antisemitism and extremist ideology. Its celebration of attacks on innocent civilians, including October 7th, and its support for banned terrorist groups such as Hamas and Hezbollah are entirely contrary to Canadian values of peace, inclusion, and respect for diversity. We unequivocally condemn their activities and the holding of such a conference — and call on the organizers to cancel their booking... Further, we can confirm that our security and intelligence agencies are currently assessing Hizb ut Tahrir (sic) for listing as a terrorist entity under Canadian law.”

Elon Musk, the owner of the famous Tesla company, and chosen by US President-elect Donald Trump to lead a new

department in his next administration called the Department of Government Efficiency - DOGE, retweeted a tweet which denounced the conference, saying, “Islamists are holding a conference on January 18 in Mississauga, Canada, on how to defeat all non-Muslim nations and create a global caliphate. The organization behind the event (Hizb ut Tahrir) is classified as a terror group on many countries.” In addition, “Israel Now” published the following comment, “The Hizb ut Tahrir Islamic conference has been moved from Mississauga to Hamilton, and Israel Now will work to identify and close this conference, which is considered a declaration of war against Western civilization.”

Thus, Canada, along with America and the Jewish state, mobilized against a conference to be held in a community of no more than a small fraction of the Islamic Ummah’s total strength, which exceeds two billion. This confrontation, and capitulation by the owners of conference centers, carries a clear indication, which is their awareness of the reality of their crimes against humanity, and the failure of their civilization, which has tormented peoples and annihilated them. They are in a fragile state, in which they cannot allow anyone to expose their criminal policies and secular beliefs. Certainly, the great Islam is the noble civilizational alternative that can bring humanity out of its misery to happiness. Therefore, these mischievous people had no choice but to prevent the holding of this blessed conference, even if it was by following the policies of their slaves among the rulers of the Arabs and the Muslims. Those slavish rulers have been lying, deceitful, and making up false accusations and charges, using various methods of threats, intimidation and oppression, and opening prisons and slaughterhouses for anyone who carries a civilizational alternative, that will overthrow their thrones, take back from them what they have usurped from the peoples, hold them accountable for their injustice and crimes, and restore the right to all humanity.

Despite the cancellation of the conference, the message

reached its target, as the styles of Dawah are no longer limited to live meetings in public places, as the Dawah carriers amongst the Shabab (members) of Hizb ut Tahrir live among the people naturally, and carry the Dawah to the people appropriately. Moreover, the virtual life we live has become a platform that every carrier of Dawah can take to deliver his message to its people through it, and even more, Allah (swt) has harnessed His enemy, Elon Musk, to raise the issue, as tens of millions of people follow him, unaware that he is worked for the Ummah and not against it. Thus Elon Musk confirmed the Words of Allah (swt),

﴿إِنَّ الَّذِينَ كَفَرُوا يَنْفِقُونَ أَمْوَالَهُمْ لِيَصُدُّوا عَنْ سَبِيلِ اللَّهِ فَسَيَنْفِقُونَهَا ثُمَّ تَكُونُ عَلَيْهِمْ حَسْرَةً ثُمَّ يُغْلَبُونَ وَالَّذِينَ كَفَرُوا إِلَىٰ جَهَنَّمَ يُخْشَرُونَ﴾

“Surely the disbelievers spend their wealth to hinder others from the Path of Allah. They will continue to spend to the point of regret. Then they will be defeated and the disbelievers will be driven into Hell.” [TMQ Surah Al-Anfal 8:36].

We are fully confident that the word of Truth is manifest and victorious, sooner or later, and the issue for us is to carry out our Shariah obligation to carry the risaalah (message) to all humanity, working to establish the state of the Khilafah Rashidah (rightly-guided Caliphate) on the Method of Prophethood in lands of Muslims. We are all assured that Allah (swt) will support us and his Deen even if those who associate partners with Allah (swt) detest that. Allah (swt) said,

﴿إِنَّا لَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾

“We certainly help Our messengers and the believers, both in this worldly life and on the Day the witnesses will stand forth for testimony” [TMQ Surah Ghafir 40:51].

Trump would not have Dominated us if we had a Khalifah (Caliph), and the Jewish Entity would not Exist without the Betrayal of our Rulers.

Press Release

(Translated)

The leaders of kufur in America and Europe, along with their tool, the Jewish entity, know that the positions of Muslim rulers, their political circles, and their entourage—who glorify them—do not represent the majority of Muslims, nor do they reflect the deep-seated hope in their hearts for the restoration of their authority. If you want to understand their true stance and their response to Allah's commands in the face of your hatred and killing of them worldwide, and your audacity in threatening to occupy more of their lands and plunder their wealth, look no further than the arrogance of your leader, Trump. With shamelessness before the world, he has displayed the arrogance of a kufar America and its support for those upon whom Allah's wrath has descended. Meanwhile, the hearts of European crusaders conceal even greater hatred for Muslims—whether through Trump's call for the displacement of Gaza's people, the Jewish war on the people of the West Bank as a prelude to what they call "Judea and Samaria," or the European Union's advocacy for a two-state solution.

Enough lies, deception, betrayal, and aggression! America is the foremost enemy of the Islamic Ummah and its lands. It is neither a friend, a partner, nor an ally except in the lexicon of the puppet rulers. Anyone who engages with it under this pretense, at any level, shares in its sin and aggression. And the repeated enemy number one is Britain—the head of the serpent—which played the greatest role in planting the Jewish entity in Palestine and then empowering it through its subservient and treacherous rulers.

It is unacceptable for the people of Jordan, in their rejection of displacement, to defend the concessions made by the Jordanian regime to its enemies since its inception—concessions that have led the country and its people into this state of weakness, humiliation, and subjugation, just as they did with the people of Palestine before. It is equally unacceptable that when Trump's recent statements pose an existential threat to this regime, it turns to the people of Jordan for support and defense—when it was the very regime that brought them to their current state of misery, humiliation, and hardship. And yet, it continues to gamble on deepening its ties with America and the Jewish entity.

Even now, during its current visit to America—preceded, as usual, by a trip to Britain for consultations and directives—the regime meets with Trump and various American administrative bodies under what the Jordanian Foreign Ministry calls "a relationship of alliance and friendship." But after Trump's explicit threat to Jordan,

after the Jordanian people's demonstrations expressing their readiness for war and military confrontation, and after the Jewish entity mocked the weakness of Jordan's forces, how can there still be any justification for continuing these reckless relationships?!

It is truly astonishing that you, the people of Jordan, stand up and express your readiness to sacrifice in the face of the forces of aggression and evil—just as the surrounding nations of Palestine have done—after the enemies of the Ummah have bared their fangs and made their conspiracy and limitless support for the Jewish entity undeniably clear. Meanwhile, the regime continues to align itself with them by maintaining American forces, upholding the joint defense treaty, and preserving the Wadi Araba agreement. This proves its deception and collusion, along with the complicity of its entourage—writers, parliament members, dignitaries, and parties—who mislead you while embellishing the regime's actions as it hands over the country to its enemies. What you demand and what serves your interests differ completely from the interests of this regime, which burdens you with heavy costs due to its relationships with your enemies. In such circumstances, it should have mobilized its forces for an honorable war against the Jews instead of visiting the den of the greatest enemy in Washington.

O people of Jordan, O Islamic Ummah:

Your relationships with the enemies have been clearly defined by Islam. The status of the land of Jordan is determined by the words

of Allah:

﴿سُبْحَانَ الَّذِي أَسْرَى بِعَبْدِهِ لَيْلًا مِّنَ الْمَسْجِدِ الْحَرَامِ إِلَى الْمَسْجِدِ الْأَقْصَى الَّذِي بَارَكْنَا حَوْلَهُ﴾

“Exalted is He who took His Servant by night from al-Masjid al-Haram to al-Masjid al-Aqsa, whose surroundings We have blessed.” [Al-Isra: 1]

The land of Jordan is among the blessed lands surrounding Al-Aqsa Mosque. Therefore, it is impermissible to engage with the usurpers of Al-Aqsa and their partners in any way other than what our Lord has commanded—fighting to reclaim it. Establishing relations with these enemies is not permissible. The Jews are criminal usurpers, and America, along with the Crusaders behind it, is in a state of actual war against you. Jordan and America are not allies—this is utter nonsense that should no longer deceive you.

Regardless of what results from the regime’s meetings in America—whether concessions, settlements, or the lowering of threats—this is nothing but an illusion, serving the ongoing liquidation of the Palestinian cause while buying more time.

We are not speaking of dreams or fantasies. This is the sincere

and legitimate solution—the shortest path to breaking free from the grip of the enemies. The political entity of Islam, the Khilafah (Caliphate) upon the method of the Prophethood, is the one that will mobilize the armies for liberation. Our armies have long neglected their duty before their Lord, but its reestablishment is near, by Allah’s will, to show you the true strength of the Islamic Ummah—first through its Aqeedah, then through its plundered wealth and the valor of its men.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا بَطَانَةَ مِن دُونِكُمْ حَبَالًا وَدُومًا مَا عَيْتُمْ قَدْ بَدَتِ الْبَغْضَاءُ مِنْ أَفْوَاهِهِمْ وَمَا تُخْفِي صُدُورُهُمْ أَكْبَرُ قَدْ بَيَّنَّا لَكُمُ الْآيَاتِ إِن كُنتُمْ تَعْقِلُونَ﴾

“O you who have believed, do not take as intimates those other than yourselves, for they will not spare you [any] ruin. They wish you would have hardship. Hatred has already appeared from their mouths, and what their breasts conceal is greater. We have certainly made clear to you the signs, if you will use reason.” [Al-i-Imran: 118]

Hizb ut Tahrir / Kenya Organized Series of Events on the 104th Anniversary of the Destruction of the Khilafah State

Press Statement

As part of the 104th anniversary of the abolishment of the Khilafah (Caliphate), Hizb ut Tahrir / Kenya conducted countrywide campaign in the holy month of Rajab 1446 AH. This Campaign which kicked off in the early of the sacred month of Rajab involved wide range activities; Public Talks, Seminars and Picketing. This was to remind the Ummah of its deplorable situation that it has been facing since the abolishment of Khilafah in 28th Rajab 1342 Hijri corresponding to 3rd March 1924 CE.

With a population of nearly 3 billion, the Muslims are similar to the foam on the sea because of the absence of Khilafah as its guardian and shield! The Ummah has lost her dignity, honor and protector. The criminal of Jewish entity supported by blood thirsty Western regimes has committed genocide to the people of Gaza. And in Syria, the blessed revolution has successfully toppled nasty leader but the West are working to restore another liberal and secular leadership.

The destruction of Khilafah is the darkest and sorrowful event that has left the Ummah dispersed by the Sykes-Picot colonial project in place of their unity, and their lands were replaced by colonialism. The blood of Muslims shed in Sham the fortress of Islam has never boiled the veins of the Muslim Armies in support the Mujahidoon. The so-called leaders on their side kept the silence of the dead!

We pray to Allah (swt) to hasten the establishment of the Khilafah Rashidah (rightly guided Caliphate) upon the method of the Prophethood.

The Fall of the Khilafah Marks the Call for Its Revival

Press Release

On 3 March 1924, corresponding to 28 Rajab 1342 AH, a small group of Turkish traitors, led by Mustafa Kemal, destroyed the legacy of over 13 centuries of Muslim unification. From that moment on, Muslims lost their roof over their heads and became orphans. Today, 104 hijri years have passed since this tragic event. After the fall of the Khilafah, the kuffar divided the Muslim world into small, isolated regions. They imposed travel restrictions between these regions, requiring passports and visas, and destroyed our armies, weapons, resources, lands, human potential, and technology—everything. In short, we became a hunting ground for the kuffar. There is now no Muslim army to defend the Muslims of Gaza or Burma. Neither Pakistan's armed forces are mobilized to liberate Masjid Al-Aqsa, nor are the Turkish armed forces mobilized to free Kashmir. It is as though the body has been dismantled, head, torso, arms, and legs all severed!

To preserve the Khilafah, the Muslims of India launched the largest political campaign in the country's history, known as the Khilafah Movement. "Khilafah Committees" were established in every street and every neighborhood. Even Gandhi recognized that the future of Hindus in India would be bleak without supporting this movement. The Muslims of India had previously sent aid to support the Khilafah during the Balkan War, and many Indian Muslim soldiers chose to face the death penalty at the hands of the British rather than fighting against the Ottoman Khilafah. Yet today, our forces are used as mercenaries in American wars. Our young lieutenants, captains, and majors are becoming casualties in conflicts that benefit the colonialists every day. We witness with our own eyes the atrocities committed by the kuffar against our people in Palestine. The suffering of our brothers and sisters in East Turkestan, Kashmir, Myanmar, Central Asia, Sudan, Yemen, Syria, and other Muslim lands is well-known. They endure oppression, bloodshed, and destruction in the absence of the Imam (Khaleefah), their shield, whom they relied on for protection, and to whom they looked for leadership in battle.

O Muslims! The fall of the Khilafah marks the call for its revival. The Khilafah is the state and political entity of Islam. It is the Shariah method for implementing Islam. Indeed, Allah (swt) commanded His Messenger (saw) to judge between the Muslims according to the Shariah Law revealed by Allah (swt). Allah (swt) said,

﴿فَاَحْكُم بَيْنَهُم بِمَا أَنزَلَ اللَّهُ وَلَا تَتَّبِعْ أَهْوَاءَهُمْ عَمَّا جَاءَكَ مِنَ الْحَقِّ﴾

"So judge between them by what Allah has revealed, and do not follow their desires over the truth that has come to you" [TMQ

Surah Al-Maidah, 5:48]. And He (swt) said,

﴿وَأَن أَحْكُم بَيْنَهُم بِمَا أَنزَلَ اللَّهُ وَلَا تَتَّبِعْ أَهْوَاءَهُمْ وَأَحْذَرْتُمْ أَن يَفْتِنُوكَ عَن بَعْضِ مَا
أَنزَلَ اللَّهُ إِلَيْكَ﴾

"And judge between them O Prophet by what Allah has revealed, and do not follow their desires. And beware, so they do not lure you away from some of what Allah has revealed to you." [TMQ Surah Al-Maidah, 5:49]. The Shariah principle is that,

خُطَابُ الرَّسُولِ ﷺ خُطَابٌ لِأُمَّتِهِ

"The Khitaab (Address) to the Messenger (saw) is an Address to His Ummah." Although the address to the Messenger (saw) is directed to him and he is included within the address, the address is directed to him as a Messenger not only for him personally. So the address is an address to the Messenger of the Ummah. Also, the evidence that the address to the Messenger is an address to his Ummah is that the address which is specified for the Messenger (saw) is clarified that it is specific for him (saw). So the obligation of ruling by Islam is upon the Ummah of Muhammad (saw).

As for the Sunnah, Imam Muslim narrated on the authority of Nafi' that he said: Ibn Umar (may Allah be pleased with him) told me that he heard the Messenger of Allah (saw) say,

«مَنْ خَلَعَ يَدًا مِّن طَاعَةِ لِقَائِي اللَّهُ يَوْمَ الْقِيَامَةِ لَا حِجَّةَ لَهُ، وَمَنْ مَاتَ وَلَيْسَ فِي عُنُقِهِ بَيْعَةٌ مَاتَ مِيتَةَ جَاهِلِيَّةٍ»

"Whoever withdraws his hand from obedience will meet Allah on the Day of Resurrection without any argument for him, and whoever dies without a Bayah of allegiance around his neck will die the death of ignorance." So, the Messenger (saw) made it obligatory upon every Muslim to have a Bayah on his neck.

He described the one who dies without having a Bayah on his neck as if he died the death of Jahiliyyah. The Bayah is not be valid except for the Bayah given to the Khaleefah. The Messenger of Allah (saw) made it an obligation that every Muslim should have a Bayah on his neck for a Khaleefah. However, he (saw) did not oblige every Muslim to give a Bayah to the Khaleefah. The obligation, therefore, is the existence of a Bayah on the neck of every Muslim.

Imam al-Mawardi said in his Ahkam al-Sultaniyyah,
الإمامة موضوعة لخلافة النبوة في حراسة الدين وسياسة الدنيا، وعقدها
لمن يقوم بها في الأمة واجب بالإجماع

“The Imamah (Caliphate) has been established as a successor to the Prophethood in the protection of the Deen and the politics of the world, and the appointment of one who undertakes it in the Ummah is a Shariah obligation by Unanimous Consensus of the Companions.” Imam al-Nawawi said in his Sharh Muslim,

أجمعوا على أنه يجب على المسلمين نصب خليفة

“They are agreed that it is as Shariah obligation upon the Muslims to appoint a Khaleefah.” The Islamic Khilafah and the unification of the Ummah under a ruler who will rule them according to the Shariah Law of Allah (swt), in the manner of the Prophet (saw), is the greatest goal of a Muslim’s life today. It is one of the most significant objectives of Islam. It represents the highest form of unity and solidarity that Allah (swt) and His Messenger (saw) have commanded. Allah (swt) said,

﴿وَأَعْتَصِمُوا بِحَبْلِ اللَّهِ جَمِيعًا وَلَا تَفَرَّقُوا﴾

“And hold firmly together to the rope of Allah and do not be divided” [TMQ Surah Ale Imran, 3:103]. Therefore, division within the Ummah leads to chaos and humiliation.

O Muslims! Indeed, establishing the Khilafah is a Shariah obligation from your Lord (swt) and glad tidings from your Prophet (saw). It is a source of honor for you and the method

for subduing your enemies. It is the method for spreading truth and justice across the world, so work sincerely toward its establishment. Do not your hearts yearn for Jihad in the Path of Allah (swt)? In the face of the cowardice of your rulers, and indeed their treachery towards you, where are those who will respond to wa-mu’tasimah?

The Dawah to establish the Khilafah Rashidah (rightly-guided Khilafah) upon the method of the Prophethood, for which Hizb ut-Tahrir is actively working, transcends the false nationalistic borders that colonialism has imposed between Muslim lands after the fall of the Ottoman Khilafah. It is a global Dawah to all Muslims for the Khilafah is their common leadership. The Hizb has prepared a draft constitution for the Khilafah, derived from the Noble Quran and Prophetic Sunnah, which includes Shariah rulings on the economy, foreign affairs, war, social relations, education, health, finance, and everything necessary for its practical implementation from day one, in shaa Allah. The signs of its revival are already appearing, and the Muslims are yearning for it.

So, O Muslims! We invite you to join us in working seriously and sincerely for the establishment of the Khilafah Rashidah, and we call upon you to heed this command of Allah (swt),

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ ۚ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ
الْمَرْءِ وَقَلْبِهِ ۚ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

“O believers! Respond to Allah and His Messenger when he calls you to that which gives you life. And know that Allah stands between a person and their heart, and that to Him you will all be gathered.” [TMQ Suran Al-Anfaal, 8:24]

The Khilafah: The Ummah's Project for Change and the Crown of Obligations

Press News

("Translated)

Under this title, Hizb ut Tahrir / Wilayah Sudan held its regular forum, the Forum on the Ummah's Issues, which this month, the month of Rajab, was held to commemorate the anniversary of the destruction of the Khilafah (Caliphate), marking 104 years since its fall in Rajab 1342 AH.

Two papers were presented at the forum. The first paper was presented by Ustaadh Hatim Jaafar, a lawyer and member of the Hizb ut Tahrir Council in Wilayah Sudan, titled "The Khilafah: The Ummah's Project for Change." He discussed three main points: the nature and status of the Khilafah, the conditions of the Lausanne Conference on 22 December 1922, the British House of Commons' celebration of its destruction, and the statement by George Curzon, the British Foreign Secretary. The second point addressed the concept of the Ummah in language and the Islamic Shariah. The third point discussed change, emphasizing that the Ummah is one and dynamic as a single entity, referencing the Arab Spring revolutions. He stated that if the people had answered two critical questions: Who are we? What is the disease we suffer from, and when did it begin? They would have achieved their goals, with the Khilafah being the project for change.

The second paper was presented by Hizb member Ustaadh

Yaqub Ibrahim, titled "The Khilafah: The Crown of Obligations." He explained the status of the Khilafah and its obligatory nature with evidence from the Quran, Sunnah, the Ijmaa' Sahabah (Consensus of the Companions), and Islamic legal principles. He mentioned the statements of reputable scholars regarding the Khilafah's status and obligation and discussed the fear of world leaders from the Kufar about its return.

The forum's moderator, Ustaadh Lawyer Muhammad Abdel Fattah then opened the floor for questions and comments. Notable contributions included participation from Ustaadh Asim Al-Bilal, Deputy Editor-in-Chief of Akhbar Al-Youm Newspaper. The forum's platform then addressed the questions and comments.

"The Promising Future of the Lost

On the occasion of the centenary of the Common era (103 Hijri) of the destruction of the Islamic State (the Ottoman Caliphate) by the kafir (disbelieving) colonizers with the collusion of the traitors of the Arabs and Turks and the abolition of the system of government in Islam (the Khilafah) from the life of the Islamic Ummah, the Media Office of Hizb ut Tahrir in Wilayah of Turkey has released a documentary entitled:

"The Promising Future of the Lost Century!"

It is a very important recording that sheds light on the conspiracies and plots that were hatched to destroy the Islamic State (the Khilafah) that was established by the Messenger of Allah (peace and blessings of Allah be upon him) and his noble and blessed Companions (may Allah be pleased with them). It then explains the importance of the unity of Muslims in one entity (the Khilafah) headed by one leader (the Caliph) and that this will inevitably happen in accordance with the saying of the Messenger (peace and blessings of Allah be upon him):

"ثم تكون خلافة راشدة على منهاج النبوة"

"...then there will be a rightly guided Khilafah on the method of the Prophethood."

Alhamdulillah, by Allah's grace and mercy, we have successfully concluded the Online Khilafah Conference 2025 entitled “Eliminating the Obstacles that are Delaying its Return”.

We want to thank those of you who attended the online event and pray to Allah SWT that it benefited their Akheera.

We also pray that this is the final year our Ummah endures without her shield, the Khilafah.

From the genocide in Gaza to the oppression our brothers and sisters face all over the world to the attacks on our Deen, we are being forced to act without the resources and support we need from our state. We urge you to carry this message to your family, friends, and networks so that the call for the Khilafah reaches far and wide.

We pray that Allah (SWT) rewards you for the time you put aside to hear this important message and hope that you continue engaging with us in the near future.

**Jazakum Allahu Khairan,

"Don't Forget Gaza and Don't Accept Being Forgotten!"

To reject the alleged two-state solution and to call on Muslims to unite under the banner of one Caliph who will immediately mobilize armies to support the oppressed Muslims in the Blessed Land - Palestine and to liberate the blessed Al-Aqsa Mosque and all of occupied Palestine from its river to its sea from the clutches of the murderous criminal Jews.

30,000 Rally to Unite Voices in Defense of Palestine with Jihad and the Caliphate NATIONAL HEADLINE | 27/01/2025 | 4-minute read Action of 30,000 People Unite to Defend Palestine with Jihad and Caliphate*.info

More than 30,000 Islamic scholars, community leaders, preachers, politicians, entrepreneurs, Muslim intellectuals, and the general Muslim public gathered at the National Monument (Monas) to unite in voicing their support for Palestine through jihad and the caliphate on Sunday (26/1/2024).

During the "Masirah Kubra: Isra' Mi'raj, The Ummah Unites to Liberate Al-Aqsa and Palestine," the masses marched from the Horse Statue near Monas to the U.S. Embassy, where they listened to speeches from scholars and community leaders.

Throughout the march, banners featuring *liwa* (white flags inscribed with the declaration of faith) and *rayah* (black flags with the same inscription) were prominently displayed. Chants of "The Muslim Ummah Unites to Free Palestine!"* echoed along the route, with large *rayah* flags being carried by participants.

Muhammad Karebet and Febi R hosted the speeches in front of the U.S. Embassy. Around eight speakers from various professions voiced the same call for defending Palestine—not through ceasefires or dialogue, but through the caliphate and jihad.

Muslim scholar KH Rokhmat S Labib, the first speaker, emphasized that temporary or permanent ceasefires are not the ultimate solution for the Palestinian issue. "The solution for Palestine, as mandated by Allah SWT, is war to expel the Jewish occupiers from Palestinian lands," he asserted.

The second speaker, Banten scholar Kiai Mansur, pointed out the U.S. support behind Zionist Jews, urging Muslims not to remain passive. "Muslims are obligated to defend Palestine," he declared.

Another speaker, Muslim intellectual Ustadz Muhammad Ismail Yusanto (UIY), explained the practical reason why jihad is the solution for Palestine. "The Jewish occupiers understand no other

language but that of force," he stated firmly.

The final speech was delivered by Banten scholar Kiai Yasin Muthahar, who emphasized that the struggle for Palestine will continue until Allah's promised help arrives, as stated in Islamic teachings—the emergence of Islamic leadership. "The ultimate solution for Palestine is jihad and the caliphate," he concluded.

At exactly 11:00 a.m., the event concluded with a prayer led by Kiai Yasin Muthahar. The participants were deeply moved, shedding tears as prayers were offered for Allah to help their brothers and sisters in Palestine and to destroy the Jewish forces.

The march was broadcast live on the YouTube channel One Ummah TV, with over 86,000 viewers from within and outside the country tuning in.

On social media, hashtags such as #AynalMuslimun, #WeNeedKhilafah, and #SavePalestine trended widely.
